

Oxbridge: Supporting students through the rigorous selection process

Did you know that there are five applications for every one successful place offered at Oxbridge? In this competitive environment, we look to guide students and their teachers through the complex application process, maximising students' potential for success.

Workshop 1: *The Application*

- Students: How to write a powerful personal statement with the opportunity for one-to-one reviews
- Teachers: How to showcase your students with a winning reference

Workshop 2: *The Interview*

- What to expect and how to prepare for your Oxbridge interview

We are pleased to welcome Dr Richard Earl, Professor of Maths at the University of Oxford and Amber Cuttill, Senior Schools Liaison Officer to lead the workshops along with members of the Brooke Weston Alumni and current Oxbridge who will return to talk about their experiences of the admissions process.

Open to all Kettering, Corby and surrounding area schools.

Cost	FREE
Venue	Brooke Weston Teaching School, Corby, Northants NN18 8LA
